Dated: 25th July 2019

OFFICE MEMORANDUM

Subject: Issues/problems to be brought before the Central Zonal Council in its 22nd meeting-**reg.**

The undersigned is directed to refer Economic & Monitoring Wings OM dated 19.07.2019 on the subject mentioned above and to say that the information in respect of NSAP Schemes is as under:-

Issues/Problems:-

Public Financial Management System (PFMS) is an important Financial Management System which ensures just in time payments, receipt management, direct benefit transfer (DBT), fund flow management and financial reporting in respect of the Centrally Sponsored and Central Sector Schemes. States/UTs have been requested to open a single nodal account for each schemes of National Social Assistance Programme(NSAP) linked with Public Finance Management System (PFMS) for last mile tracking of funds released under the Schemes.

Efforts made in this regard:

States/UTs were interacted through various video conferences as well as meetings for adoption of the abovementioned. Three workshops were also held in the month of July 2019 in the chairmanship of Additional Secretary & Financial advisor (RD) so that States/UTs will put up all efforts to fully implement the PFMS in respect of all the Rural Development schemes latest by September 2019 and also make efforts for agency registration, weeding out of redundant agencies, mapping of implementing agencies and analysis of reports available in PFMS for better scheme management

(Dr. Manik Chandra Pandit)
Deputy Secretary (NSAP)
